MANAGEMENT DISCUSSION AND ANALYSIS

Forward looking statements

Statements in this Management Discussion and Analysis of Financial Condition and Results of Operations of the Company describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities laws and regulations. Forward looking statements are based on certain assumptions and expectations of future events.

The Company cannot guarantee that these assumptions and expectations are accurate or will be realised. The Company assumes no responsibility to publicly amend, modify or revise forward-looking statements, on the basis of any subsequent developments, information or events.

Performance Review

During the financial year under review, your Company has received less numbers of bookings for shoots/events etc. due to availability of more locations/studios in different parts of the City, as compared to previous year and few bookings involving large revenue were cancelled by the customers due to unforeseen circumstances resulting in Company's revenue from operations decreasing by 27.54% to Rs. 139.18 lakhs as compared to revenue from operations of Rs. 192.09 lakhs in the previous financial year. As a result of decreased revenue, the net loss increased to Rs. 103.87 lakhs against a net loss of Rs. 66.33 lakhs during the previous financial year after adjusting for decreased expenses of Rs. 21.87 lakhs and adjusting for increased Other Income of Rs. 6.85 lakhs.

Company's Property at Colaba – Mumbai

The SLP filed by the Company in the Hon'ble Supreme Court of India, challenging the order of the Honorable Bombay High Court in the matter of refusal by Municipal Corporation of Greater Mumbai to the plans submitted by the company on the main ground of objection raised by Indian Navy, was listed on various dates during the year under review for final hearing before the Honorable Supreme Court. However, the matter did not reach for final hearing. It is expected that the Company's SLP may get listed for final hearing in near future post the summer vacation of the Honorable Supreme Court.

As apprised in the last year's Directors' Report, in May 2021 due to cyclone Taukte part of the sea-retaining wall on south-east side of the Company property was severally damaged, which resulted in part of platform behind the sea retaining wall getting washed away and some structures also getting damaged. During the earlier year under review, the Company received in full & final settlement, claim amount of Rs. 18.05 lakhs from the Insurer The New India Assurance Company Ltd., against the said damage. The said cyclone also washed away part of the sea retaining wall & platform on outside of west side of Company property, belonging to the Mumbai Port Trust (MbPT). This resulted in part of Company land getting eroded with ingress of sea water. The Company & MbPT have been exchanging letters for repairs of their sea-retaining wall & platform which was damaged during earlier monsoons. However, as stated in last report, MbPT did not carry out required repairs and it had taken a stand that it will not carry out repairs/reconstruction of their sea-retaining wall/platform and that it has no objection to our Company carrying out the same at our cost.

As stated in the last report, the Hon'ble Supreme Court vide its order dated July 11, 2022 permitted the Company to carry out repairs/reconstruction of damaged sea retaining wall/compound wall/platform at the Company's cost.

Thereafter, the Company applied to the Municipal Corporation of Greater Mumbai (MCGM) for said reconstruction/restoration works and same was approved by MCGM, after the Company obtained the necessary approvals from Maharashtra Coastal Zone Management Authority (MCZMA) and State Environment Impact Assessment Authority (SEIAA).

The Company has issued a work order and started the repairs/ reconstruction of sea-retaining wall/platform on the south-east side, which is expected to be completed before the onset of monsoon.

Outlook

The management has made in last few years every possible effort to increase the revenue from services by upgrading the infrastructure at substantial investment and by reaching out to new segments & at the same time with a focus on the existing customer segments. The Company is planning to incur further expenditure for improving the infrastructure and carrying out the necessary repairs/renovations to some structures to make the location attractive for different segments, in order to enhance the customer base and revenue. The Major repairs/renovation of structure and reconstruction of seawall/platform will make available more space for shooting & events, which is expected to generate additional revenue.

In view of the same, the Company looks forward positively to do better in the current year and near future.

Internal Financial Controls

The Company has in place adequate financial controls for ensuring the orderly and efficient conduct of its business including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the adequacy and completeness of accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

The Internal Financial Controls commensurate with the size and nature of business of the Company. During the year, such controls were tested and no reportable material weaknesses in the design or operation were observed.

The Company has appointed M/s. Gokhale & Sathe, Chartered Accountants, Mumbai, as Internal Auditors to carry the internal audit. The Internal Auditors' Reports are regularly reviewed by the Senior Management and the Audit Committee of the Board for its implementation and effectiveness.

Risk Management

The Company has developed and implemented the Risk Management system whereby a Risk Management Committee has been constituted to manage, monitor and report on the principal risks and uncertainties that can impact the ability to achieve the Company's strategic objectives.

The Committee periodically briefs the Board on various issues along with its suggestions/ recommendations, based on which the Board takes decisions.

Human Resources

The Company strongly believes its employees are the most valuable asset. Our endeavor is to provide a work environment where continuous learning and development takes place to meet the changing demands and priorities of the business. The Company have 5 (five) permanent employees on roll.

INDEPENDENT AUDITOR’S REPORT

TO THE MEMBERS OF TCI INDUSTRIES LIMITED

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS Financial Statements of TCI Industries Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows, the Statement of Changes in Equity for the year then ended, and notes to the Financial Statements, including a summary of the Material accounting policies and other explanatory information (hereinafter referred to as “the Ind AS Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013, as amended (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its loss (including other comprehensive income), the changes in Equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Financial Statements.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS Financial Statements for the financial year ended 31st March, 2024. These matters were addressed in the context

of our audit of the Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. For the matters below, our description of how our audit addressed those matters is provided in that context.

We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Ind AS financial statements.

Sr. No.	Key Audit Matters	Auditor’s Response
1.	<p>Litigation Matters</p> <p>(as described in Note 31 to the accompanying Ind AS Financial Statements)</p> <p>The Company is involved in various taxes and other legal disputes for which final outcomes cannot be easily predicted and which may or may not result in significant liabilities as the disputes are pending before authorities/ court. The assessment of the risks associated with the litigations is based on complex assumptions, which require the use of judgement and such judgement relates, primarily, to the assessment of the uncertainties connected to the prediction of the outcome of the proceedings and to the adequacy of the disclosures in the financial statements.</p>	<p>Our audit approach included:</p> <ul style="list-style-type: none"> • Inquiry with the concerned department/ officials regarding the status of the most significant disputes and inspection of the key relevant documents. • Assessment of assumptions used in the evaluation of potential legal and tax risks by the Company considering the legal precedence and advice received by the Company from its lawyers. • Analysis of opinion received from the experts where available. • Review of the adequacy of the disclosures in the notes to the financial statements.

2.	<p>Property, Plant and Equipment</p> <p>There are areas where management judgement impacts the carrying value of property, plant and equipment, and their respective depreciation rates. These include the decision to capitalise or expense costs; the annual asset life review; the timeliness of the capitalisation of assets and the measurement and recognition criteria for assets retired from active use.</p> <p>During the financial year the company has commenced reconstruction and repair activities on part of sea retaining wall, platform and a structure.</p>	<p>We tested controls in place over the fixed asset cycle, evaluated the appropriateness of capitalisation process, performed tests of details on costs capitalised, assessed the timeliness of the capitalisation of the assets and assessed the de-recognition criteria for assets retired from active use.</p> <p>In performing these procedures, we reviewed the judgements made by management including the nature of underlying costs capitalised; determination of realisable value of the assets retired from active use; the appropriateness of asset lives applied in the calculation of depreciation; and the useful lives of assets prescribed in Schedule II to the Act.</p>
----	---	---

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position and financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report Including Annexures to Board's Report and Shareholder's information but does not include the Ind AS Financial Statements and our Auditor's Report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS Financial Statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief, were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account;
 - d) In our opinion, the aforesaid Ind AS Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;

- e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B” to this report.
- g) In our opinion, the managerial remuneration for the year ended 31st March 2024 has been paid/ provided by the Company to the directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in the Ind AS financial statements - Refer Note 31 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts due which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries, during the year;
 - b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries, during the year; and
 - c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company has not declared or paid any dividend during the year.
 - vi. Based on our examination, including test checks, the company has utilized accounting software with an audit trail (edit log) feature for maintaining its books of account, which has been consistently operated throughout the year for all relevant transactions. During our audit, we did not find any instance of the audit trail feature being tampered with and the audit trail has been preserved by the company as per statutory requirements for record retention.

Annexure - B to the Independent Auditor's Report

Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of TCI Industries Limited of even date on the Ind AS Financial Statements for the year ended March 31, 2024.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of TCI Industries Limited ("the Company") as of 31st March, 2024 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2024**Background**

TCI Industries Limited (the Company) is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on Bombay Stock Exchange (BSE) in India. The registered office of the Company is located at N. A. Sawant Marg, Near Colaba Fire Brigade, Colaba, Mumbai - 400005, Maharashtra.

The Company is principally engaged in rendering services by providing space for film shooting, TV serials, advertisements and for corporate/social events.

The financial statements are approved by board of director on 13th May 2024

1. Material Accounting Policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statement. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.1 Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind-AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) as applicable.

These financial statements are prepared in Indian Rupees (INR) which is also Company's presentation and functional currency and all the values are rounded off to the nearest Lakhs (upto two decimal points) except where otherwise stated.

The company has prepared the financial statements on the basis that it will continue to operate as a going concern.

1.2 Summary of material accounting policies**a) Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading

- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its -operating cycle.

b) Historical Cost Convention

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention, except for the freehold land, building and plant & equipment which are revalued under the previous GAAP (Indian GAAP) and shown at revalued price deemed as cost.

c) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognised.

Rendering of services

Revenue from rendering of services by providing space for shooting of films, TV serials, advertisements and events is recognized by reference to the stage of completion. Stage of completion is measured by reference to work done till date as a percentage of total work for each contract. When the contract outcome cannot be measured reliably, revenue is recognised only to the extent that the expenses incurred are eligible to be recovered.

Rental income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease terms and is included in other Income in the statement of profit or loss due to its non-operating nature.

d) Retirement and other employee benefits**Short-term employee benefits:**

All employee benefits payable within 12 months of service such as salaries, wages, bonus, ex-gratia, medical benefits etc. are recognised in the year in which the employees render the related service and are presented as current employee benefit obligations within the Balance Sheet. Termination benefits are recognised as an expense as and when incurred.

Short-term leave encashment is provided at undiscounted amount during the accounting period based on service rendered by employees.

Defined Contribution Plan

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company recognizes contribution payable to the provident fund scheme as an expense, when they are due.

Defined Benefit Plan

The Company provides for gratuity, a defined benefit retirement plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972, the Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment.

Gratuity liability is a defined benefit obligation and is computed on the basis of an actuarial valuation by an actuary appointed for the purpose as per projected unit credit method at the end of each financial year. The liability or asset recognised in the Balance Sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company is a participant of group gratuity scheme with Life Insurance Corporation of India and the required premium under the scheme is paid to meet the liability as and when it accrues for payment in future. Any shortfall in the value of assets over the defined benefit obligation is recognised as a liability with a corresponding charge to the Statement of Profit and Loss.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on Government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur directly in Other Comprehensive Income. They are included in retained earnings in the Statement of changes in equity and in the Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Short Term Provisions

Further, the Company is also in practice of providing Leave Travel Allowance to its employees, as per the CTC of the respective employees. LTA is being paid on receipt of claim/bills from the employees and the employee having availed the required leave for claiming the LTA. For unclaimed LTA, short term provision is made on monthly basis pro rata as per annual eligibility of the employee and shown as liability which is reversible/payable on submission of claim/bills.

e) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

f) Trade Receivables

Trade Receivables are recognised initially at fair value and subsequently measured at expected credit loss method.

g) Property, plant and equipment

Plant and Equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the major repairs enhancing life thereof and replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Expenses incurred on legal fees, architectural fees or any other consulting fees in relation to proposed property development are transferred to 'Capital work-in-progress'.

Depreciation methods, estimated useful lives and residual value

Depreciation is provided on the straight-line method to allocate the cost of assets, net of their residual values, over their estimated useful lives.

Depreciation is calculated on a pro-rata basis from the date of acquisition/installation till the date the assets are sold or disposed of:

Asset category	Estimated useful life
Buildings	30 years
Plant and equipment	15 years
EDP Equipment	3 years
Vehicle	8 years
Furniture & Fixture	10 years
Office equipment	5 years

The residual values are not more than 5% of the original cost of the asset. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

The carrying amount of an asset is written down immediately to its recoverable amount if the carrying amount of the asset is greater than its estimated recoverable amount.

Impairment of assets

The carrying amount of assets is reviewed at each Balance Sheet date to assess if there is any indication of impairment based on internal/ external factors. An impairment loss on such assessment will be recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of the assets is net selling price or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is further provided or reversed depending on changes in the circumstances and to the extent that carrying amount of the assets does not exceed the carrying amount that will be determined if no impairment loss had previously been recognised.

h) Taxes

Current income tax

The income tax expense or credit for the period is the tax payable on the taxable income of the current period based on the applicable income tax rates adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. The Management periodically evaluates positions taken in tax returns

with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Minimum Alternate Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid will be recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set off against the normal tax liability. Such an asset is reviewed at each Balance Sheet date.

Deferred tax

Deferred tax is provided using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The tax effect is calculated on the accumulated timing differences at the end of an accounting period based on prevailing enacted or substantially enacted regulations. Deferred tax assets are recognized only if there is reasonable certainty that they will be realized and are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in Other Comprehensive Income or directly in equity. In this case, the tax is also recognised in Other Comprehensive Income or directly in equity, respectively.

In addition, the various transitional adjustments lead to different temporary differences. According to the accounting policies, the company has to account for such differences.

Goods and Service Tax (GST) paid on acquisition of assets or on incurring expenses

Expenses and assets are recognized net of the amount of GST, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable
- When receivables and payables are stated with the amount of tax included

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet. The tax paid under Reverse Charge Mechanism basis on legal fees which are capitalized, is carried forward as receivable in balance sheet.

i) Leases

Leases as Lessee (Assets taken on lease)

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Leases as Lessor (Assets given on lease)

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

j) Provisions and contingent liabilities

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These are reviewed at each year end and reflect the best current estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

k) Earnings per share

Earnings per share (EPS) is calculated by dividing the net profit or loss for the period attributable to Equity Shareholders by the weighted average number of Equity shares outstanding during the

period. Earnings considered in ascertaining the EPS is the net profit for the period and any attributable tax thereto for the period.

l) Financial liabilities

i) Initial Recognition and Measurement

The Company recognizes all the financial liabilities on initial recognition at fair value, in the case of a financial liability at fair value through Profit or Loss, transaction costs are directly attributable to the acquisition or issue of the financial liability, except where such transactions costs are recognized immediately in Statement of Profit and Loss.

The Company's financial liabilities include trade and other payables, lease liability, loans and borrowings.

ii) Subsequent Measurement

All the financial liabilities are classified as subsequently measured at amortised cost. Any discount or premium on redemption /settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

iii) De-recognition of Financial Liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit & Loss.

2. Recent pronouncements

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2023 dated 31st March 2023 to amend the following Ind AS which are effective for annual periods beginning on or after 1st April 2023. The company has given effect to these amendments during the year.

(i) Definition of Accounting Estimates - Amendments to Ind AS 8

The amendments clarify the distinction between changes in accounting estimates, changes

in accounting policies and the correction of errors. It has also been clarified how entities use measurement techniques and inputs to develop accounting estimates.

The amendments had no impact on the company's financial statements.

(ii) Disclosure of Accounting Policies - Amendments to Ind AS 1

The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures.

The amendments have had an impact on the Company's disclosures of accounting policies, but not on the measurement, recognition or presentation of any items in the Company's financial statements.

(iii) Deferred Tax related to Assets and Liabilities arising from a Single Transaction - Amendments to Ind AS 12

The amendments narrow the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases.

The amendments had no impact on the company's financial statements.

Notes:

- Capital Work-in-Progress includes expenditure towards legal expenses incurred where the Company has preferred SLP in the Hon. Supreme Court against the order of Bombay High Court, which has been admitted and is pending for final hearing. Earlier, in the matter of proposed property development, the Hon. Bombay High Court rejected the writ petition filed by the Company upholding the rejection by Municipal Corporation, of the plans submitted by the Company on the ground of absence of "No Objection" from the Defence/ Navy. Due to uncertainty of the outcome of the legal proceedings, the expenditure incurred towards legal fees has been included in Capital Work-in-Progress. The same has not been charged to the Statement of Profit and Loss as the same does not pertain to the current operations of the Company.
- In 1979, the Company entered into an agreement of assignment to obtain a land on leasehold basis from Turghhadra Sugar Works Private Limited (formerly known as Mukesh Textile Mills Private Limited). The lease assignment was entered into on 6th August, 1979 for a residual lease period of 903 years and 5 months. Right of Use Asset (ROU) includes INR 317.81 lakhs transferred from Leasehold Land as per IND AS 116 for lease agreements.
- In 1999, the Company has obtained a warehouse on leasehold basis from Mumbai Port Trust for a period of 30 years commencing from 1st July, 1999. Right of Use Asset (ROU) includes INR 0.63 lakhs created as per IND AS 116 for lease agreements.
- In accordance with the Ind AS 36 on 'Impairment of Assets', the Company has reassessed the carrying amounts of its Property, plant and equipment and is of the view that no further impairment / reversal is considered to be necessary in view of its expected realisable value.
- The Company has not revalued any Property, Plant and Equipment during the Financial Year 2023-24 and Financial Year 2022-23.
- The Company doesn't not have any immovable property, whose title deeds are not held in the name of the company during the year ended 31st March, 2024 and 31st March, 2023.

A) Terms/rights attached to equity shares:

The Company has only one class of equity shares having a par value of INR 10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by shareholders.

During the financial year 2004-05, the Company had introduced a scheme duly approved by Hon'ble High Court of Andhra Pradesh at Hyderabad for consequential reduction of Capital whereby the Company proposed the reduction, cancellation and extinguishments of small-lot of Shareholdings (Shareholders holding less than 10 no. of shares) subject to such terms and conditions as specified in the scheme at a predetermined price. At the same time the Company had created the liability for making the repayment to shareholders called as "Payable as per Scheme of Arrangement 2003". The Company is still making payments to the shareholders as and when the request is received.

NOTES TO THE FINANCIAL STATEMENTS (Contd....)

Note 28: Employee benefits obligations

Defined benefit plans:

Gratuity

The Company operates a gratuity plan through the 'TCI Industries Ltd Employees Group Gratuity Assurance Scheme' (Funded). Employees are entitled to a benefit equivalent to 15 days salary last drawn for each completed year of service in line with the Payment of Gratuity Act, 1972. The same is payable at the time of separation from the Company or retirement, whichever is earlier. The contribution for gratuity is invested in a scheme with the Life Insurance Corporation of India as permitted by Indian law. The benefits vest after 5 years of continuous service.

Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Interest rate risk: A fall in the discount rate which is linked to the G. Sec. rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment Risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration Risk: Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

(INR in Lakhs)

Expenses Recognized in the Statement of Profit or Loss for Next Year

Current Service Cost	0.49	0.44
Net Interest Cost	0.98	0.96
(Expected Contributions by the Employees)	-	-
Expenses Recognized	1.47	1.40

The weighted average duration of the defined benefit obligation is 5 years. The expected maturity analysis of gratuity is as follows:

(INR in Lakhs)

Maturity Analysis of the Benefit Payments		
Projected Benefits Payable in Future Years from the Date of Reporting		
	2023-24	2022-23
1st Following Year	20.09	19.26
2nd Following Year	0.09	0.08

5th Following Year	0.11	0.09
Sum of Years 6 To 10	0.66	0.54
Sum of Years 11 and above	12.71	11.18

Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

(INR in Lakhs)

	2023-24	2022-23
Projected Benefit Obligation on Current Assumptions	24.23	22.54
Delta Effect of +1% Change in Rate of Discounting	(0.57)	(0.46)
Delta Effect of -1% Change in Rate of Discounting	0.68	0.56
Delta Effect of +1% Change in Rate of Salary Increase	0.67	0.55
Delta Effect of -1% Change in Rate of Salary Increase	(0.57)	(0.47)
Delta Effect of +1% Change in Rate of Employee Turnover	(0.02)	0.00
Delta Effect of -1% Change in Rate of Employee Turnover	0.02	0.00

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Note 30: Non-Convertible Redeemable Preference Shares

During the year, the Company has issued 59,250 (31st March, 2023: 49,564) 0% Non-Convertible Redeemable Preference Shares of Rs. 100/- each at an issue price of Rs. 400/- each including premium of Rs. 300/- for consideration in cash, which are redeemable within 20 years from the date of issue or on an earlier date only at the discretion of the issuer Company, at a premium of maximum 18% (simple) p.a. on the issue price i.e. maximum Rs. 400/- per share, payable at the time of redemption.

As per Ind-AS 32, a financial instrument may be classified as an equity or financial liability based on its substance rather than its legal form. The said Ind-AS 32 also explains when a financial instrument can be classified as equity or financial liability. To determine the classification of the said preference shares issued, the Company has taken a legal opinion relying on which the said preference shares have been classified as Equity and accordingly presented as "Other Equity" in the Balance Sheet.

Note 31: Contingent liability and commitments (to the extent not provided for)**Claim against the company not acknowledged as debt:**

- a) The Hon'ble Bombay High Court, by a judgment dated 1st March, 2012, awarded a decree in favour of Cotton Corporation of India Ltd. for Rs. 22.79 lakhs which together with interest amount to Rs. 89.27 lakhs as on 31st March, 2013. The Company has filed in earlier year SLP before the Hon'ble Supreme Court, against the said judgement, which has been admitted and stay has been granted on the execution of impugned decree. As directed by the Hon'ble Supreme Court an amount of Rs. 50 lakhs has been deposited with Cotton Corporation of India Ltd. The SLP is pending for hearing.
- b) The Brihanmumbai Electric Supply & Transport Undertaking (BEST) of The Brihan Mumbai Mahanagar Palika has filed a writ petition in The Hon'ble Bombay High Court in respect of electricity charges of the Ex Workers of the Company. As per the directions given by the Hon'ble Bombay High Court, BEST calculated and demanded a sum of Rs. 8.55 lakhs comprising energy charges of Rs. 0.83 lakh and interest charges of Rs. 7.72 lakhs. The Company has paid the energy charges and challenged the interest demand by way of a writ petition in the Hon'ble Bombay High Court and also deposited with BEST Rs. 2.50 lakhs as per Court order. The writ petition is pending for hearing.
- c) Municipal Corporation of Greater Mumbai (MCGM) in earlier year of 2012 revised property taxes in Mumbai with retrospective effect from 1st April, 2010 by migrating to capital value system from erstwhile rateable value system. Writ petitions were filed subsequent to the said revision, before the Hon'ble Bombay High Court by certain parties challenging the said revision in property taxes and by an interim order, the property owners were allowed to pay taxes at old rate plus 50% of the difference between old and revised rates, pending disposal of the writ petitions. The Company has been paying property taxes in terms of the said interim order. The total demand raised by MCGM for various structures for the period 1-4-2010 to 31-3-2024 amounts to Rs. 119.90 lakhs against which the company has paid amount aggregating to Rs. 79.03 lakhs, thereby Rs. 40.87 Lakhs remaining unpaid as on 31-3-2024. This has been fully provided for in the financial statements.
- d) (i) The Company has also received notices, in the year 2015 for the period 1-4-2010 to 31-3-2015 & in each subsequent years, from MCGM demanding property tax under the capital value system treating the property as open land instead of structures. As per the various notices, MCGM has raised demand amounting to Rs. 3469.36 lakhs for the period 1st April, 2010 to 31st March, 2024. The company had filed written objections with MCGM. However, no order has yet been passed by the competent authority of MCGM in the matter, even though the competent authority has conducted hearing in an earlier year.
- (ii) The Hon'ble Bombay High Court vide its judgment dated 24th April, 2019 has disposed-off all above mentioned petitions referred in (c) above filed by the various parties and struck down certain rules regarding fixing of Capital Value of lands & buildings, made by the Corporation. The said order of the Hon'ble Bombay High Court was challenged in Hon'ble Supreme Court by the MCGM and the Hon'ble Supreme Court by its Interim order, confirmed that the property owners can continue to pay the property taxes in terms of the aforesaid interim order of the Hon'ble Bombay High Court. The said appeal of MCGM was subsequently dismissed by Hon'ble Supreme Court upholding the order of Hon'ble Bombay High Court. Against the same dismissal, MCGM had filed a Review Petition in Hon'ble Supreme Court, which has also since been dismissed on 14-03-2023. The company estimates that, in view of the court decisions & the representations made in the past by the company, the demand of MCGM shall reduce. The exact quantum of same will be known when MCGM does reassessment of the demands in view of the said orders & company's representations. Meanwhile, the company has again received notice dated 28th March, 2024 demanding an amount of Rs. 6,048.35 lakhs upto 31st March, 2023 subject to order of the Hon'ble Bombay High Court in Writ Petition No. 2592 of 2013 & Hon'ble Supreme Court SLP No. 17009 of 2019 by MCGM. MCGM has requested the Company to pay the said amount within 21 days from receipt thereof otherwise the action of recovery will be initiated under Sections 203 to 206 of Mumbai Municipal Corporation Act, 1888. The lawyers of the company have replied to the said notice stating, inter alia, the said Notice is not in conformity with the Judgement of Hon'ble High Court which has been upheld by the Hon'ble Supreme Court and hence, as also, considering that the Complaint of the Company is pending with the Municipal Corporation for final disposal, MCGM cannot demand the property tax and accordingly the said Notice is misconceived and bad in law.

Note 32: Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk; and
- Market Risk - Interest rate

Risk management framework

The Company's board of directors have overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors have authorized respective business Managers to establish the processes, who ensure that executive management controls risks through the mechanism of properly defined framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed by the business managers periodically to reflect changes in market conditions and the Company's activities. The Company, through management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

(i) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Company's Management has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. The Company as a policy do not extend credit to its customers to mitigate the credit risk. The Company's review includes market check, industry feedback, past financials and external ratings, if they are available, and in some cases bank references.

The Company's exposure to credit risk for trade receivables is as follows:

(INR in Lakhs)

Unsecured Trade Receivables carrying credit risk	Security Deposits received from Trade receivables	Net Trade Receivables carrying credit risk
Nil	Nil	Nil

(ii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to manage liquidity is to have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed circumstances, without incurring unacceptable losses or risking damage to the Company's reputation.

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of Securities/ credit facilities to meet obligations when due and to close out market positions.

Liquidity risk results from the Company's potential inability to meet the obligations associated with its financial liabilities, for example settlement of financial debt and paying suppliers. The aim is to ensure effective liquidity management, which primarily involves obtaining sufficient committed securities/ credit facilities to ensure adequate financial resources.

Net financial debt is used internally by Company to monitor the Company's credit resources available. Net financial debt is the Company's net interest-bearing debt, excluding interest-bearing assets, as these assets are not actively managed in relation to liquidity risk.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The contractual cash flow amounts are gross and undiscounted, and includes interest accrued but not due on borrowings:

(INR in Lakhs)

As at 31 March 2024	Carrying Amount	Contractual Cash Flows				
		Less than 6 months	6 months to 12 months	1 year to 5 years	More than 5 years	Total
Non derivative financial liabilities						
Borrowings	74.22	46.08	4.24	23.90	-	74.22
Current financial liabilities						
Trade payables	7.27	6.75	-	0.52	-	7.27
Total	81.49	52.83	4.24	24.42	-	81.49

(iii) Market risk

Market risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises mainly interest rate risk which in the case of the company is mitigated due to securities issued on a long-term basis at a fixed rate of return payable at the time of redemption of the securities.

Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rate is very low due to issuance of securities on a long term basis at a fixed rate of return.

Exposure to interest rate risk

The Company's interest rate risk arises majorly from the carrying fixed rate of interest. These obligations expose the Company to cash flow interest rate risk. The exposure of the Company's borrowing to interest rate changes as reported to the management at the end of the reporting period are as follows:

(INR in Lakhs)

Particulars	As at 31 March 2024	As at 31 March 2023
Fixed rate liabilities		
Borrowings	74.22	68.33
Total	74.22	68.33

Note 33: Segment Information
